Boston, USA

In Boston, students have a fantastic opportunity to live and work on the campuses of Harvard University and MIT, two wonderful academic venues. Boston is a fun, fashionable, modern city. Our social activities teams guide students in exploring its many attractions.

"Having students work on one subject per week means that we can provide a comprehensive review of year 1 with emphasis on weaker areas, and prepare for year 2. Looking at concepts from different perspectives can build student understanding considerably."
